Question 1

Steven Crawford

Alex McDaniel

How do you encourage academic honesty on assessments when you teach a blended course?

Question 2

Steven Crawford

Alex McDaniel

I am struggling with defending to faculty the use of online quizzes and concerns about whether they are a valid assessment of student learning. How do we get faculty to buy in to the concept of assessment for learning and quell concerns about use of textbooks and other resources when taking online quizzes?

Question 3

Steven Crawford

Alex McDaniel

I am working on designing a blended learning program for the purpose of enhancing positive learning environment, my question is "Is it procedural to make assessment of its effectiveness in improving learning environment part of the assessment of the module learning outcomes?" Please advice.

Question 4

Steven Crawford

Alex McDaniel

In a blended model, what has been your experience of having students present group projects online or during face-to-face?

Question 5

Steven Crawford

Alex McDaniel

How can we ensure "authentic" assessments when setting on-line assessments?
